

# How Can Chimorel Help You? 100+ Dynamic Strategies

This pdf document summarizes all of the dynamic strategies provided in Lessons 1 thru 7 of our free course about *How Chimorel Can Help You? There is no significant difference between calling a dynamic strategy a Diamond, a Gem or a Gold Nugget. Please note, many of these dynamic strategies relate specifically to Chimorel.* Many strategies will also generalize to things you can do to enhance your life, to build your business or to fund a project. Once you understand the meaning behind a strategy, pick it up and make it part of your life.

## Lesson 1: What is Chimorel? 10+ Diamonds (count 16)

1. Funds from profit activities flow to support nonprofit activities. *Could this help a nonprofit you are concerned about?*
2. The website is an immersive experience designed to create transformation. *Speed the experience with Click and Feel. When you are ready dive deep with Think and Learn.*
3. We protect the nonprofit status from the dreaded IRS Unrelated Business Income Tax which can jeopardize the tax exempt status by having for profit entities do for profit activities. *Be sure you don't jeopardize your tax exempt status.*
4. Chimorel has opportunities you can get involved in. *Becoming a Resource Developer is just one.*
5. We support one life at a time – solve one problem, achieve one goal. *Yes we can help achieve any goal, solve any problem, anywhere – one at a time with people who are genuinely motivated to develop the required resources.*
6. If you want it, earn it. Nothing comes for free. *We wish this were obvious to more people. Maybe you can pass it forward.*
7. Set a goal to solve a problem. *Be sure to get “How to Create a Chimorel Special Project.” You will learn how to solve any problem you have. We tell you how to get this ebook in future lessons.*

## **100+ Dynamic Strategies**

8. Together we can do more than we can alone. Separately, some problems are impossible to solve. Together, who knows what could happen. *Yes we can !!!*
9. Let's focus on what we can do today. Then plan to achieve bigger goals. *A clear focus makes it happen. A little vision empowers today to achieve tomorrow's dreams.*
10. You have to do something to get something. *Register to have access to free information.*
11. You must be willing to take responsibility. *Yes, you can earn a membership, but you must be willing to take real responsibility.*
12. Start by setting and reality testing one goal. *Become a Starter Member.*
13. The next step is to develop an Action Plan. *Stay involved to be an Action Planner.*
14. Take one small step at a time. Then keep taking steps. *You can expect to enter a 735 Plan, 2100 Plan and 5000 Plan someday.*
15. Make your goal significant. *Tap into our Sources of Strength. Nothing is impossible.*
16. Slow down and think. Pick up the diamonds you find as you continue your Success Journey with Chimorel.

## **Lesson 2: Set Goals, Develop Action Steps 20+ Gems (count 55)**

17. Setting goals starts with you as an individual. *Reflect on your life mission as you set your first goal.*
18. Bring your life mission into conformity with where you work. *If you can't, now is the time to plan your move to another place to work. Don't quit, but do plan. Then do what you need to do when it is appropriate.*
19. Take your success journey as far upstream as possible. *We can help, when you are ready.*
20. Typically, your mission will be more focused than your vision. *Your goals should reflect your life mission.*
21. Solve your problems by setting goals. *You have seen this one before, but it is worth repeating. It is that important.*
22. Test your goals against reality. *Anything is possible. Not everything is practical.*
23. Develop Action Plans to implement your goals. *Obvious, wouldn't you say?*

## 100+ Dynamic Strategies

24. You want to be ready (serious, intentional) before you begin to set goals. *Half-baked tastes bad, leaves something to be desired and doesn't get you where you want to go.*
25. Quickly doing goal setting also leaves something to be desired. *You will miss some important strategic planning.*
26. An easy way to do goal setting is to write down what you want to do. *Include an action verb, a dollar amount and a time frame.*
27. Start by setting one significant goal and focus. *Again a repeat. Again very important. We may not continue to identify other repeated gems. Just realize that if they are repeated they are important.*
28. Another way to set a goal is to use a picture you post where you will see it every day. *Draw, cut, computer graphic. Refrigerator, bathroom mirror, TV, screen saver, all of these.*
29. Is there a reason you have not written your goal? Not important? Fear? Self-image? Didn't know how? *It is time to write down a significant goal. Do it now.*
30. After you set and achieve goals, teach others to do the same. *It may be the most important thing you can do to support yourself and others.*
31. Supporting others, especially to set/implement realistic goals, provides you with an important source of support. *One of our most important dynamic strategies.*
32. Be sure your goal reflects your life mission and flows from the prioritized relationships in your life. *Doing so empowers achieving your goals.*
33. Once you consistently set and achieve significant goals, you could step up to more than one goal at a time. *If you can't consistently set and achieve one goal, what makes you think you'll do better with many goals?*
34. Set your goal without distractions. *Yes, it really is important to be alone with no phone, no business or family distractions.*
35. Support someone to set goals could be one of the most important ways you can thank them. *Didn't we say something like this before? Must be important.*
36. Determining your life mission is a big picture strategy. *Think about the coffin, what people say, strengths & weaknesses, admirable traits, happiness, changes in your life, changes in the world, your values. Dream. Soar. Be all you can be.*
37. Revisit setting your life mission as change happens in your life and as you develop new perspectives. *Change happenz.*

## 100+ Dynamic Strategies

38. Prioritize the relationships and roles in your life. *Make sure First people come first.*
39. As you choose roles / relationships to prioritize, consider your personal life, your work, your social life and other key areas in your life. *Now pare it down to ten or less and rank their priority.*
40. Did we say rank the priority of the roles and relationships in your life? *Nuff said.*
41. Spend time nurturing each important relationship. *Highest daily. Less high weekly. Less than weekly? Not a priority? Consider dropping or phasing out this relationship.*
42. Did you catch how you can nurture important relationships with mental imaging? *Supporting my wife and kids is the reason I'm making this call.*
43. Did you tell her how important she is to you today? *Trust me; she'll appreciate your keeping her in mind.*
44. Schedule important relationships first. *Delegate less important tasks when possible.*
45. Understand the Process Flow Chart. *Long term planning → weekly organizing.*
46. Provide value. *We anticipate maintaining this key function as we get to know you better.*
47. Your second Source of Strength is to connect with people who believe in you. *This power can help when times are tough. Did we ... nuff said.*
48. Remember “nothing comes for free.” *You don't have to pay cash out of your pocket, until you are ready. Do put a value on things that don't cost money. Pick up the diamonds, gems and gold nuggets available.*
49. Once you realize you have to pay for what you get, you begin to know how to develop a source of income. *Pay it forward.*
50. There is an income opportunity available at Chimorel for the right kind of people. *Are you the right kind of person?*
51. You can do anything you truly put your mind to. Believe it. *Now tell your friends to begin Chimorel's free Success Journey. They can pick up this same gem in their life.*
52. Stay in touch. *Email your goal and progress to [chimorel\\_why@yahoo.com](mailto:chimorel_why@yahoo.com).*
53. Make your goal more than a New Year's resolution. *Make it happen.*
54. There are simple action plans and action plans with sub-goals. *Start simple. Add sub-goals after you achieve at least one goal.*

## 100+ Dynamic Strategies

55. Make your Action Plan as real for you as possible. *You can start with our template. Change it. Add. Delete. Reorder. Put in explanatory detail. Make it happen. We will have an Action Plan you can use in Lessons Four thru 7.*
56. Your entire Action Plan does not have to be written. *If you know what to do, do it. When you struggle, write to clarify your thinking. Rewrite, if necessary, until you can do it.*
57. The Action Plan to get a job involves determining What, Where, Who and How. *Learn to use this simple formula to get a job.*
58. Each action step in your plan is a command statement. *Tell yourself what to do. Listen. Do. Incidentally, have you noticed how many of these gems are command statements. When appropriate you can use them as part of your Action Plan. No charge!*
59. Write down To Do opportunities as the pop into your head. *You don't want to forget them.*
60. God bless you! *Continue to explore your opportunities, but when you are ready, pick up this gem.*
61. Focus. *Don't bite off more than you can chew.*
62. Set a significant goal. Break it into parts. *Learn. Uncover opportunities. Self-improvement. Do something. Etc.*
63. If your sub-goals are hierarchical, do them in order. *Obvious.*
64. If your sub-goals are random, *start with the biggest impact. If overwhelming, start with the one you can get done first.*
65. Become an Action Planner. *We will help you develop an Action Plan with sub-goals.*
66. You can become a Chimorel Resource Developer. *You will make certain commitments in the process.*
67. Develop your/our Internet Marketing Action Plans. *If you know what you are doing, you can make a difference. This is another income opportunity at Chimorel – JV, affiliate, etc.*
68. Test your goal against reality. *When you become a Starter member, we can help.*
69. God is a primary Source of Strength. *When you are ready, pick up this Gem. Did we say something like this before. Must be important.*
70. *Become aware in the present moment. Powerful. We are all connected at an incredibly deep level. Quantum physics. Love and awareness coming.*
71. Over deliver. *55 is more than 30.*

241. Service Opportunities are things you do to build Chimorel and help others in the Cooperative Effort program. *Once you genuinely help someone else, you have earned the right to ask them to help you.*
242. To become Active you become a member and set at least one goal. You stay active by developing a Chimorel Action Plan to achieve your goal and by demonstrating competence and integrity with other members.
243. As you become an Action Planner, we offer you a series of Goal Setting Interviews. *These interviews are designed to help you set a goal, reality test your goal, and develop an Action Plan to achieve your goal.*
244. When you move on to higher levels many doors open. *These doors include Goal Setting Program, Business Development, Planning, Email Opportunities, Similar Customer Groups, Brainstorming, Being a Speaker, Lead Generation, Benefits, Contact Systems, Affiliation, Telemarketing, Cooperative Advertising and more.*
245. You will have the opportunity to be a servant leader. *These positions include Meeting Coordinator, Action Leader, Planner, Prayer Warrior, Cooks & Child Care, Marketing Coordinator and more, many of which can become paid positions.*
246. We can help your business at the business incubation stage; with marketing and sales; with human resource needs and benefits; with accounting, finance, strategic planning, crisis management and business coaching; and with asset management programs.
247. We work with nonprofit groups to do all of the above and to develop fund

raising strategies which get their constituents involved.

248. We help individuals with goal setting and action plan development; through our client assistance program; through our I Got a Job Program; with our Home Builder Program; with our College Bound Program; through our Active Recycler Program; and with ways to get involved through our Concerned Citizen and Odd Job programs.

## 11 Make It Happen Dynamic Strategies

249. To determine what you must do to achieve a goal, break it down into achievable targets. *Then figure out what you have to do to achieve your targets.*

250. As you begin the planning to achieve your goals, make a real effort to deal with all the issues that could affect the outcome. *This involves brainstorming.*

251. Achieving goals takes real work. *Learn to work smart, as well as, hard. It is easier to make 40 \$100 sales at a high commission than 2000 \$10 sales at a low commission.*

252. Review Chimorel's Make It Happen section periodically. *There are many opportunities available: find a job, build your dream home, start a business, get out of debt and more.*

253. There are significant income opportunities available at Chimorel for the right people. *When you are ready, pick up this dynamic strategy.*

254. If you can improve on what we have developed, we welcome your input. *Once again there might be an income opportunity for the right person.*

255. Chimorel's Home Builder program offers you and people you know many opportunities.

*When you are ready, pick up these diamonds.*

256. An Accredited Investor who invests \$250,000 in a Chimorel project could earn \$100,000 in two years.

257. After we have registered Chimorel investment opportunities, a \$10,000 general public investment might earn \$1600 in two years.

258. Once you are we a member, submit an Action Step Summary form. *Other members may offer to help you achieve your plan, especially if you do something to help them.*

## 16 Membership & Program Gold Nuggets

259. Relax for a few seconds before you learn more about becoming a member.

*Are you relaxed now? Is your mind clear and focused? You are about to change your life and help your neighbor. Today you can start (where ever you are in life) to solve problems and achieve goals for yourself and for others.*

260. Your motive might be altruistic (apx 40%). You might want more (apx 35%). You might have a significant problem (apx 25%). *We encourage you to want more.*

261. If your motive is altruistic, you like the cause. You want to help others. You see your membership as a donation and nothing more. *Your Recommendation Privilege will be a meaningful benefit.*

262. If you want more, you will also want to solve some problem or achieve some goal. *Altruism is great, but it doesn't pay the bills. When you set and achieve big goals, you will have more to help others. You will also be a good steward of your talents, skills and abilities.*

263. If You Have a Problem, you may not have the ability to pay cash for your membership. *You can earn your membership through work and by referring other members.*

264. If you can not pay cash for your membership, it will be to your advantage to refer at least three cash paid members. *This will enable you to earn Cash Paid member status and other Special Benefits, including the ability to earn money.*

265. Any time someone from Chimorel asks you for a donation, to become a member or to enter a program, ask for their name. *If they don't give it to you, they don't represent Chimorel.*

266. Send a membership fee, make a donation or pay for your program at 1060 Mt Vernon Ave, Columbus, OH 43203 or use Pay Pal on our website. *This is for your protection.*

267. Take the time to review "How Do I Sell Memberships?" *It could open the door to significant income opportunities or at least help you pay our fees.*

268. Ask people about their goals and needs. *Asking for \$50 probably will affect your relationship.*

269. Integrity is a big deal at Chimorel. *We suspect it should be a big deal in*

## **100+ Dynamic Strategies**

*everything you do.*

270. Here is a secret question: *If I help you achieve the goal, what will you do? When you offer to help someone, expect something in return. The intention is to help them grow. If I teach you to fish, you will always have enough to eat.*
271. It is to your advantage to learn about Chimorel's compensation plan. *There are essentially five elements: (1) base, (2) a standard, (3) bonuses, (4) a cap and (5) benefits.*
272. Because resources are always limited, we focus on helping people who are motivated.
273. Much of our current focus is on our I Got a Job and Property Renovation programs. *Blending in with these programs are our Client Assistance, Odd Job, Concerned Citizen and Goal Setting programs. As you begin to promote our programs, this should be your initial focus.*
274. Certain aspects of our College Bound, Home Builder, Business Development, Cooperative Effort and 1000>5000 programs can be implemented on a limited basis; but we do not have the staff to implement these programs on a large scale. *Are you the right kind of person? As our programs expand, we need you.*
